Language assistance services are available free of charge for anyone who has a need for an interpreter.

Tenemos servicios de ayuda en Español, para cualquiera que necesita un intérprete.
Who We Serve:
We serve children from 2 to 18 years of age.

Who We Are?
The Child and Adolescent Psychiatry Clinic is a New York State Office of Mental Health licensed clinic. We provide diagnostic and treatment services to Western New York youth and their families who are experiencing emotional and/or behavioral disturbances or family relationship problems.

What We Offer?
• Diagnostic assessment and evaluation
• Client directed outcome informed clinical care
• Individual Psychotherapies including evidenced based treatments such as Helping the Noncompliant Child and Trauma Focused Cognitive Behavioral Treatment
• Family, parent-child and group Psychotherapies
• Psychiatric evaluation and consultation
• Medication management
• Advocacy with and consultation to schools, social services or other agencies serving clinic patients
• Psychological evaluation

Our Staff
• Child/Adolescent Psychiatrists
• Psychologists
• Family Therapists
• Master’s Level Clinical Social Workers
We are also the home of the University at Buffalo’s residency training program in Child and Adolescent Psychiatry.

Insurance Accepted: Medicaid, all Medicaid managed care plans, all Child Health Plus plans, most BC/BS plans, IHA and Univera.
