au-some evenings

at
explore&more
children's museum

Through generous community support, these special evenings will give children with Autism Spectrum Disorders an opportunity to play and learn together in an understanding and supportive environment free of charge.

Children, siblings and friends are welcome and must be accompanied by a parent or guardian. Families will have access to the museum and Imagination Playground where they have an opportunity for more active play.

Space is limited so reservations are essential. **Please call Peg at (716) 332-4170 to secure your spot.** Check Explore & More's website: www.exploreandmore.org for a Social Story and virtual visit to the museum!
