

# Remote Access Enrollment Remotely

1. Go to <https://www.infoclique.com>

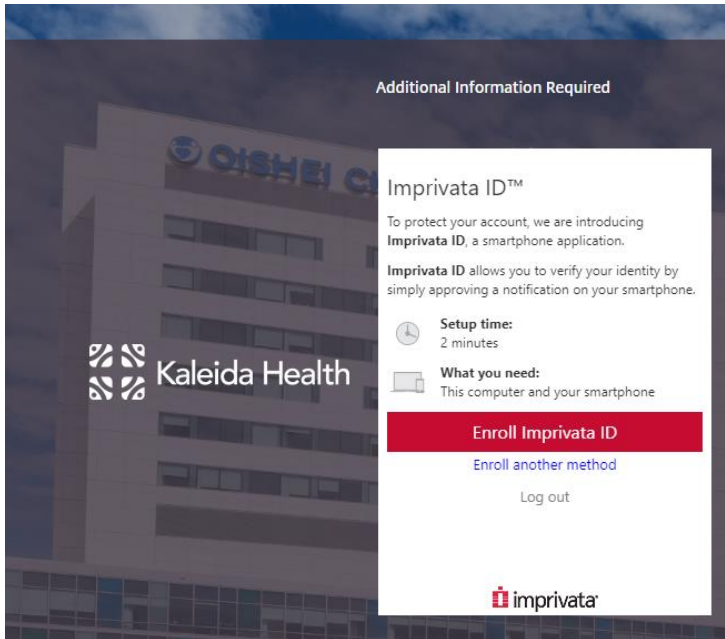

Click the Login button. Enter your InfoClique network username and password.

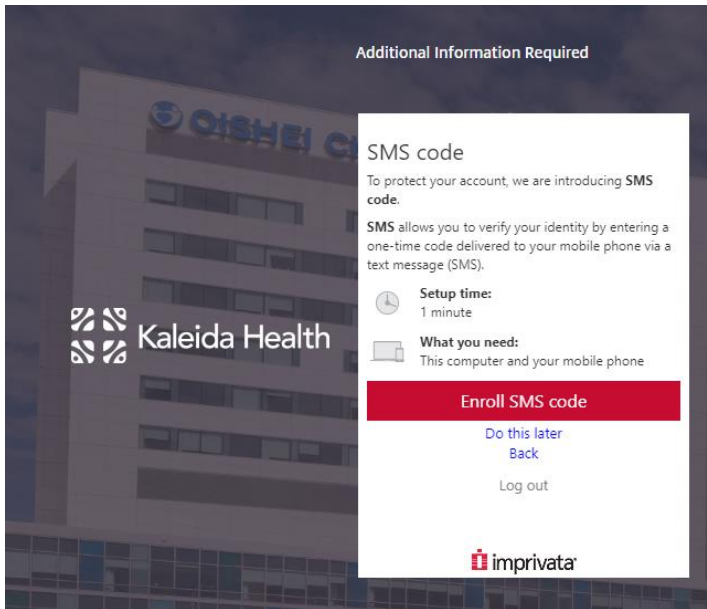

If you have an issue logging in on the screen above, you should use the “Kpass” system to 1) [register](#) if

you haven't already, and 2) [reset your password](#). If during or after this process you are still having an issue, you may call the Kaleida Service Desk (716-859-7777, Option #3) for further assistance.

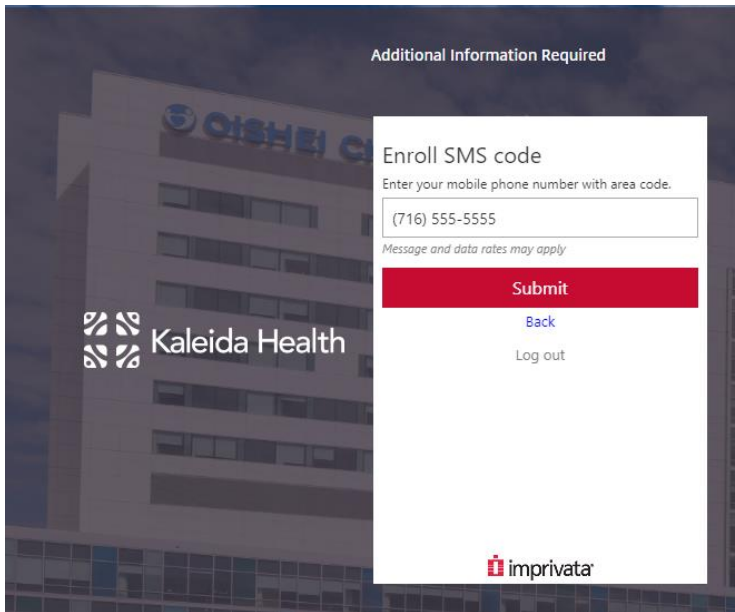

2. You will be prompted to enroll for multi-factor authentication. Click the blue "Enroll another method" link.

3. Click “Enroll SMS code”

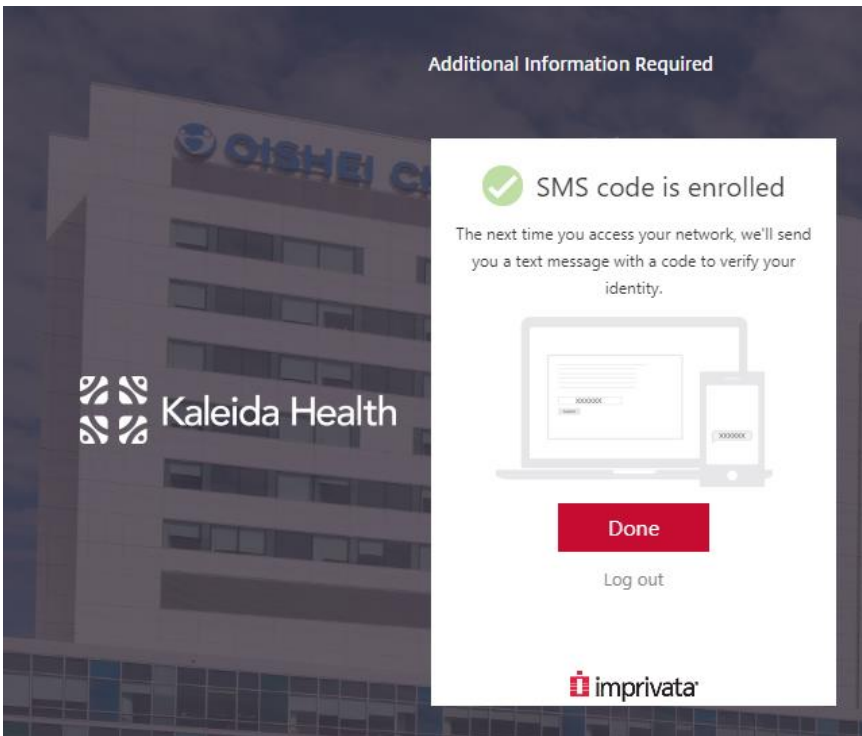

4. Enter your mobile phone number and click “Submit”

5. You will receive a code via SMS to your mobile device. Enter the Verification Code and click “Submit”

6. Click “Done”

7. At this point, once you have completed the self-enrollment, and it should take you into InfoClique. If it does not take you into InfoClique, try going to <https://www.infoClique.com> again.

8. If you experience any issues or have any questions, please contact the Kaleida Health Service Desk at 716-859-7777 (Option #3).
