

CASE: Center for Autism Support and Education presents ...

All About Autism - A Workshop for Parents, Families and Friends

FREE information for families of individuals with Autism Spectrum Disorders (ASD)

- Do you have a child or love someone with an Autism Spectrum Disorder (ASD)?
- Would you like to know more about Autism Spectrum Disorders and related community resources and support?
- Would you like helpful information and ideas from an expert?

Join us for this informative workshop.

*Presenter **Kathy Doody, Ph.D.**, parent of a child with autism, will offer you an understanding of ASD and discuss the next steps for your family. She will provide information about available services and supports from the school system and community. You will learn how to communicate and work together to help your child reach their full potential.*
