

 Kaleida Health POLICY	Title: Kaleida Health Access	# SC.4
	Owner: Supply Chain Management	Issued: 6/12/00
Keywords: vendor, access, sales representative, credential, ID badges, Symplr		

I. Statement of Purpose

It is the practice of Kaleida Health to manage access to its sites in a manner that will protect the rights of the organization and its employees, ensure the safety of its patients and the confidentiality of their health information, and maintain our commitment to corporate compliance and business ethics.

This policy addresses the following:

Section A: Identification Badges

Section B: Vendor Access

Section C: Safety Orientation and Building Access for Contractors

II. Audience

All Work Force Members - The term "Work Force Member" means employee, independent contractor, agent, volunteer, trainee, or other person who performs work for Kaleida Health. This includes, but is not limited to, full and part time employees, affiliates, associates, directors, officers, managers, supervisors, volunteers, physicians employed by or otherwise affiliated with Kaleida Health, medical residents, nursing students, or others receiving training at any Kaleida Health facility, and others who provide goods and services to Kaleida Health.

III. Instructions – (Outline necessary steps for consistent completion of process/ procedure)

A. Identification Badges

1. As a condition of employment, employees and staff are required to prominently display the official Kaleida Health ID badge at all times while on Kaleida Health property during their on-duty hours. The badge must be worn picture side forward at chest or shoulder level. The identifying photograph must be visible.
 - a. The ID badge will contain the following:
 - 1) Photograph
 - 2) Full Name
 - 3) Department
 - 4) Signature
 - b. ID badges for certain employees may require job titles as required by the NYS Education Department for example, MD, DO, RN, LPN, Pharmacist and all employees engaged in direct patient care. In addition titles will be printed for director, administrator, VP, EVP and above as well as for Home Care employees. Degrees or certificates are not included on the ID badge. "Nursing" is used for all Nursing Units.
 - c. All employees and OBGYN Residents working on the Mother Baby Units, NICU and Labor and Delivery Units and who may be required to move the infant are issued pink ID. The pink ID is issued only upon written approval from the Unit Coordinator.
 - d. New employees, staff and others required to display the Kaleida Health ID badge (see **Attachment A**) will produce a driver's license or other government issued picture ID, have their photo taken, complete the ID

information form and be issued the badge at an ID badge production office. ID badge production offices are located at the following sites:

 - b. The VP Supply Chain Management and Director of Purchasing, or designee, are responsible for enforcement of these steps.

C. Safety Orientation and Building Access for Contractors

1. Short Term Projects

Contractors retained to provide minor building repair and modifications are required to adhere to section 1.a. of this policy if in an in-scope area, and then report to the site Plant Operations office before starting work and sign in on the Plant Operations Contractor Sign-in Sheet (Attachment C). At this time the contractor's employees assigned to the facility will receive a copy of the Contractor, Correctional and Law Enforcement Personnel Safety Information Sheet (Attachment D). The safety information is to be read and understood by each individual.
2. Long Term Projects

Contractors retained for major or on-going projects, in excess of one week, are required to attend the formal Kaleida Health Contractor Safety Orientation (Attachment E). This orientation will be coordinated through the site Plant Operations office or the Corporate Projects Department and presented by one of the Kaleida Health Safety Officers. The above mentioned sign-in/sign-out procedure will be followed and all contractors will be required to wear a badge.
3. Contractor Entry/Work Procedures (Off Hours)

To ensure that only authorized work is performed by contractors during off hours, contractors will not be permitted entry to any Kaleida Health facility without proper authorization from the Plant Operations, Security, Clinical Engineering or Information Technology (IT) staff responsible for the work to be performed.

 - a. Before beginning work the crew chief or foreman will present at the Security Office or post advising of the intent to perform work in the facility. If the proper notifications have been made the crew will be permitted entry after all contract employees have been signed in by the foreman and the contractor ID badges have been issued.
