

DEPARTMENT OF NEONATOLOGY
NURSE PRACTITIONER

ADVANCED PRIVILEGES

Name of Nurse Practitioner (Print)

To be eligible to apply for privileges as a Nurse Practitioner in Neonatology, the applicant must currently possess Nurse Practitioner Core Privileges as a member of the Kaleida Health Medical/Dental Staff.

NEONATOLOGY NURSE PRACTITIONER CORE PRIVILEGES

Evaluate, diagnose, and provide care, treatment, and services consistent with neonatal/perinatal practice for well babies. Nurse practitioners may write orders to admit patients under a physician's service to the hospital. Nurse Practitioners may assess, stabilize, and determine the disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. The core privileges in this specialty include the procedures on the Nurse Practitioner Core Privileges and such other procedures that are extensions of the same techniques and skills.

NEONATOLOGY INTENSIVE CARE NURSE PRACTITIONER CORE PRIVILEGES

Evaluate, diagnose, treat, and provide consultation to newborns presenting with severe and complex life-threatening problems such as respiratory failure, shock, congenital abnormalities, and sepsis, and provide consultation to mothers with high-risk pregnancies. Nurse practitioners may only write orders to admit patients under a physician's service to the hospital. Assess, stabilize and determine the disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services.

INITIAL APPLICANTS

To be eligible to apply for privileges as a NP in Neonatology, the applicant must meet the following criteria:

- Completion of a master's, post-master's, or doctorate from a nurse practitioner program accredited by the Commission on the Collegiate of Nursing Education, Accreditation Commission for Education in Nursing (ACEN) or the National League for Nursing Accrediting Commission with emphasis on the NP's specialty area, **AND**
- Current certification by the American Nurses Credentialing Center or an equivalent body, **AND**
- Current active licensure to practice as an advanced practice registered nurse in the practitioner category in New York State, **AND**
- Professional liability insurance coverage issued by a recognized company and of a type and in an amount equal to or greater than the limits established by the Medical/Dental Staff Bylaws, **AND**
- Neonatal Resuscitation Program (NRP) current certification.

REAPPOINTMENT REQUIREMENTS

To be eligible to renew privileges as a NP in Neonatology, the applicant must meet the following criteria:

- An adequate volume of experience with acceptable results for the past 24 months and demonstrated current competence based on results of ongoing professional practice evaluation and outcomes. Experience must correlate to the privileges requested. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges including five (5) intubations per year. Nurse practitioners practicing off site should have at least two (2) intubations per year in extremely low birth weight infants, **AND**
- Current certification by the American Nurses Credentialing Center or an equivalent body [subspecialty by the American Association of Critical-care Nurses (AACN) as an acute care nurse practitioner (ACNPC)], **AND**
- Current active licensure to practice as an advanced practice registered nurse in the practitioner category in New York State, **AND**
- Professional liability insurance coverage issued by a recognized company and of a type and in an amount equal to or greater than the limits established by the Medical/Dental Staff Bylaws, **AND**
- Neonatal Resuscitation Program (NRP) current certification.

ADVANCED PRIVILEGES (see specific criteria)

Noncore privileges are requested individually in addition to requesting the core. Each individual requesting advanced privileges must meet the specific threshold criteria as applicable to the initial applicant or re-applicant. Each time a new privilege is requested, it may be requested by the Nurse Practitioner and recommended by the collaborating physician and forwarded to the Kaleida Health Medical Staff Office to be approved and appended to the advanced list of privileges.

Advanced Privileges – The applicant must provide written documentation of current competence (as noted below) for all procedures requested:

1. A list of requested procedures performed within the educational program, signed by a representative of the program, attesting to competence **OR** a case list of requested procedures performed within the previous 2 years **OR**
2. A signed statement from the collaborating physician confirming that he/she has personally observed the applicant successfully perform the procedure(s) and can attest to his/her competence.

If the above requirements cannot be met, the applicant may request approval to perform the procedure(s) under direct supervision until such time as the above noted attestation can be submitted. This request must be co-signed by the collaborating physician.
