CERTIFICATIONS. AUTHORIZATIONS AND WAIVERS OF LIABILITY

I fully understand that any misstatements in, or omissions from, this application or the supporting documentation submitted herewith, constitutes cause for denial of my request or cause for summary dismissal. All information submitted by me in connection with this application is true and complete to the best of my knowledge and belief and no pertinent information has been omitted.

In making this application, I acknowledge that I am familiar with the principles and standards of the Det Norske Veritas (DNV), the Guidelines for Good Clinical Practice, and Ethical Principles and Guidelines for the Protection of Human Subjects of Research contained in the Belmont Report and the Declaration of Helsinki. I agree to be bound by the principles thereof, and I further agree to abide by such Hospital(s) policies as may be from time to time amended and enacted.

I hereby signify my willingness to appear for a personal interview in regard to my application, authorize the Hospital(s) representatives to consult with administrators and members of other hospitals or institutions with which I may have been associated and with others, including past and present malpractice insurance carriers, who may have information bearing on my professional competence, character and ethical qualifications. I hereby further consent to the inspection by Kaleida Health and its representatives of all records and documents, including medical records from other hospitals that may be made material to an evaluation of my professional qualifications and competence to carry out the privileges requested as well as my moral and ethical qualifications for the position as Research Associate. I hereby release from liability Kaleida Health and its representatives for their acts performed in good faith and without malice in connection with evaluating my application and my credentials and qualifications. I hereby release from any liability, any and all individuals and organizations who provide information to Kaleida Health in good faith and without malice concerning my professional competence, ethics, character and other qualifications and I hereby consent to the release of such information.

I authorize Kaleida Health to conduct a criminal record background check for the purpose of determining my suitability for privileges as a Research Associate at Kaleida Health. I understand that if it is discovered that I have a criminal record, Kaleida Health may deny my application for Research Associate privileges.

I authorize Kaleida Health to share the information I provide in this application for Research Associate privileges to Erie County Medical Center Corporation in order to expedite its research associate application process, if applicable.

I understand and agree that I, as an applicant, have the burden of producing adequate information for proper evaluation of my professional competence, character, ethics, and other qualifications and for resolving any questions or doubts about such qualifications. I have been advised of, and hereby acknowledge, my obligation to advise Kaleida Health in writing immediately of any new, different or additional information responsive to any of the questions or items requested in or in connection with this application which, at any time it comes to my attention or is made known to me.

The purpose of this letter is to confirm that	(Student name)
is enrolled as a medical student at the State University of New York University	ty at Buffalo Jacobs School
of Medicine and Biomedical Sciences ("UB") as of	(date) and meets Kaleida
Health's requirements for access to its electronic medical records containing p	protected health information
(as that term is defined by the Health Insurance Portability and Accountability	y Act of 1996 (HIPAA), and
its implementing regulations) for research purposes.	

Any UB student who would like access to a Kaleida Health's electronic medical record containing protected health information for research purposes must meet the following requirements:

- If a non-US Citizen, s/he has the necessary documentation to study in the United States.
- S/he has attended UB orientation within the last 12 months pertaining to the privacy of patient's protected health information, including HIPAA requirements.
- Upon admission to UB, s/he has had a criminal background check run against him/her which covers that period of time prior to entry into medical school.
- As required for research involving patient interaction, s/he is covered by UB's Professional and General Liability insurance coverage with limits of
 - o At least one million dollars (\$1,000,000) per occurrence and
 - O At least three million dollars (\$3,000,000) annual aggregate
- S/he complies with the New York State Department of Health, Bureau of Immunization requirements for vaccinations:
 - Receipt of 2 documented doses of MMR vaccine, given on or after the first birthday and separated by at least 28 days is proof of immunity to measles, mumps, and rubella.
 - O Documentation of immunity to varicella:
 - Documentation of 2 doses of varicella vaccine given at least 28 days apart, or
 - History of varicella disease (chickenpox) or herpes zoster (shingles) or
 - Laboratory evidence of immunity or conformation of disease.
 - Annual negative tuberculin (TB, TST or QFT) screen and/or negative CXR
 - If history of having TB or a positive TB screen, must show completed treatment or a negative chest X-ray within the past two years.
 - o TDaP vaccine/booster within past ten (10) years (tetanus, diphtheria & pertussis).
 - o Full Hepatitis B vaccine series and/or immunity to Hepatitis B.
 - Seasonal influenza (flu) vaccination received.

I certify that:

- the aforementioned student satisfies the foregoing requirements,
- the student will continue to satisfy all of the foregoing requirements through the end of his/her clinical rotation at Kaleida Health, and
- UB maintains records documenting compliance with all requirements contained in this letter and will share the records with Kaleida Health within three business days of a request to do so.

I understand and agree that (a) all UB students requiring access to Kaleida Health's electronic medical records containing protected health information for research purposes must complete an abbreviated credentialing application for Research Associates and (b) Kaleida Health's Office of Research and Sponsored Projects must give its approval before a UB student will be granted access to any of Kaleida Health's electronic medical records containing protected health information for research purposes.
