REAPPOINTMENT REQUIREMENTS

To be eligible to renew privileges as a NP in Hematology/Oncology, the applicant must meet the following criteria:

- An adequate volume of experience with acceptable results for the past 24 months and demonstrated current competence based on results of ongoing professional practice evaluation and outcomes. Experience must correlate to the privileges requested. AND
- Current active licensure to practice as an advanced practice registered nurse in the practitioner category in New York State, AND
- Professional liability insurance coverage issued by a recognized company and of a type and in an amount equal to or greater than the limits established by the Medical/Dental Staff Bylaws, AND
- Current ACLS (Adults) or PALS (Pediatrics) certification
Advanced Privileges

Noncore privileges are requested individually in addition to requesting the core. Each individual requesting advanced privileges must meet the specific threshold criteria as applicable by the initial applicant or reappointment. Each time a new privilege is requested, it may be requested by the Nurse Practitioner and recommended by the collaborating physician and forwarded to the Kaleida Health Medical Staff Office to be approved and appended to the advanced list of privileges.

Advanced Privileges – The applicant must provide written documentation of current competence (as noted below) for all procedures requested:

1. A list of requested procedures performed within the educational program, signed by a representative of the program, attesting to competence OR a case list requested procedures performed within the previous 2 years AND
2. A signed statement from the collaborating physicians confirming that he/she has personally observed the applicant successfully perform the procedure(s) and can attest to his/hers competence.

If the above requirements cannot be met, the applicant may request approval to perform the procedure(s) under direct supervision until such time as the above noted attestation can be submitted. This request must be co-signed by the collaborating physician.
